Yearbooks are in colour this year!

Dear Parents,

It is that time again when we are pleased to offer you an opportunity to purchase a wonderful keepsake of your child's school year. **This year these 96 page books will have a beautiful cover designed by one of our talented students and be full colour.** Each class has their own page which illustrates each member of that class along with many "highlights" that took place in the class this year. There will also be pages illustrating sports teams, clubs and special events throughout the school.

The Yearbook for K – 9 will sell for \$35 (same price as last year). The price includes "The Memory Capsule", a full-color, 16 page, supplement. This insert captures the biggest stories in the national and world news, entertainment and sports.

Together with Friesens, The Yearbook Company, our school staff is putting these books together. We have a deadline we must meet for orders, so please complete the attached order form and return it to the school along with payment **AS SOON AS POSSIBLE**.

These books will be available for order only. Don't be disappointed, order your Yearbook now!

Yours truly,

Arthur M. Therrien
Principal
